

Bank@Post™

Banking – another thing you
can bank on at Australia Post.

Bank@Post is easy, personal and convenient.

Bank@Post is Australia Post's agency banking service for personal accounts and a wonderfully convenient extension of your own building society. With facilities at around 3,300 Australia Post outlets around the country displaying the Bank@Post sign, you can:

- withdraw money
- deposit cheques and/or cash
- check your account balance.

All you need is a Heritage Building Society personal account and your plastic transaction card with an accompanying Personal Identification Number (PIN).

Australia Post does not charge you a fee when a Bank@Post transaction is undertaken. Heritage Building Society can provide details of its fees, if any, which may apply to your use of the Bank@Post service.

*Limits apply. Bank@Post™, Australia Post and its associated device mark/s are trade marks (registered or otherwise) of the Australian Postal Corporation. All rights reserved. Although correct at the time of printing, charges and other conditions are subject to change from time to time, and services may be modified, added or withdrawn. An up-to-date brochure is available from any Australia Post outlet.
