Package summary

Eligibility

Your eligibility for a Package begins on settlement of your Package loan or the switching of a pre-existing loan to a Package loan. The Package Eligibility Criteria are satisfied whenever your loan is linked to a current Package and you meet the below criteria:

1. Have a current eligible mortgage loan or line of credit with Heritage that is linked to the package.
2. Have an eligible Visa card with Heritage that is linked to the package.
3. Pay the package annual fee (payable on the above credit card facility)

Package loan benefits

When you meet the eligibility criteria outlined above, you will receive package loan benefits. These benefits will apply to the membership of your nominated Visa card. You can set up additional loans on new memberships and link these loans to your package, however some benefits may not apply.

The package benefits are:

- A lower interest rate than Heritage's standard variable rate (on variable rate mortgage loans and variable rate lines of credit only). Discounts may also be offered on new Fixed Rate loan applications.
- No application fee.
- Waiver of monthly administration fee.
- No switch fees for switching into or within Package eligible loans.
- Waiver of Reborrowing Administration Fee (Payments in Advance).
- Waiver of Application Fee on Personal Loan accounts.
- No Annual fee on your nominated Heritage Visa credit card account
- Discounts on insurance. Speak to a Heritage staff member to learn more.

Annual fee

The Package annual fee is:

- \$350.00 for a Package containing solely Home Advantage Package eligible Loans/Facilities; or
- \$300.00 for a Package including Professional Package eligible loans/facilities. Fee waived if total outstanding balance owing on anniversary date, on all eligible loans linked to the Package, is equal to or more than \$500,000.00. Once all Professional Package eligible loans/facilities are repaid in full and your Package contains solely Home Advantage Package eligible loans/facilities, you agree that the Package Fee for Packages containing solely Home Advantage Package eligible loans/facilities (see above) will apply from the date on which the last Professional Package eligible loan/facility is repaid in full.

The annual fee is payable in advance as one of the eligibility criteria for receiving benefits. The annual fee is not fully or partly refundable if you cease to be eligible to receive Package benefits. The amount of the annual fee is subject to change. The annual fee will be deducted from the nominated Heritage Visa account.

Opting out of the Package

The holder(s) of the Package can opt out of the Package at any time by:

- completing the Package Cancellation Form; or
- ceasing to meet the eligibility criteria for Package benefits.

The holder(s) of the Package can therefore cause you to cease to meet the eligibility criteria for Package benefits on your loan, if it is approved. If you cease to meet the eligibility criteria for Package benefits on your loan, you cannot automatically become eligible for benefits again. To become eligible again, or if you want to link a loan to a different Package, you need to apply to us and we will only approve your application if we still make the Package available to new loan applicants at that time and if you satisfy our approval guidelines at the time (which may be different from those applying now).

Additional loans

Additional package eligible loans you take out or hold with Heritage, while you meet the eligibility criteria, may also attract the Package Loan benefits.

The benefits are not automatic and only apply to the additional loan if disclosed in the Credit Contract or Switch disclosure and this form has been completed to nominate the additional loan.

Deciding whether the Package is for you

You should carefully consider whether the Package is suitable for you and compare it with other options. Heritage cannot give advice on whether the Package is suitable for your particular circumstances.

The information in this summary is factual information only and not advice. It does not take into account your objectives, financial situation or needs and before acting on it, you should consider its appropriateness with regard to your objectives, financial situation and needs.

Currency and status of information

Please note that the Package eligibility criteria are subject to change by Heritage at any time. Similarly, the Package benefits are subject to change or withdrawal by Heritage at any time. This summary will not form part of the credit contract for any Package Loan or for any Heritage Visa credit card account, and nor will it have the effect of varying any of those credit contracts.
