How we assess Business Loans

When it comes to assessing your business loan, we want to get everything sorted for you as quickly as possible. To help make that happen, here are some items you should bring along to your loan interview. We will need original or certified copies of the documents listed.

All Applicants

- Tax returns for the last 3 years
- Financial statements incorporating balance sheets and profit/loss statements for the last 3 years
- After 1 January in any year, further interim figures may be required
- Transaction account statements for the last 6 months
- Full details of properties owned and/or offered as security including rates notices, title reference numbers and insurance details
- Details of any joint borrowings or loans guaranteed by you
- Details of existing loan agreements and loan account statements for the last 6 months
- Cash flow statements may be required

All parties to the application will be required to provide identification, including individuals, directors, trustees and beneficial owners. Details vary depending on the nature of the applicant. Learn more about the required identification on our website.

Companies, Trusts and Incorporated Bodies

- Certificate of Incorporation
- Trust Deed
- List of Directors/Principals/major shareholders and a brief comment on their background

Firms and Partnerships

- Certificate of registration of business name
- Partnership agreement

This is a guide only. You may be asked to provide further clarification on any documents you supply.

Additional Services

Heritage Bank can also help by providing a wide range of business and payment tools to assist in the day-to-day running of your business.

- **Bank Feeds:** Heritage Bank has arrangements in place with MYOB, RECKON and XERO for daily Bank transactional data transfers

⁴ Refer to disclaimer on page 11

¹ Heritage Bank reviews its term deposit rates from time to time. When your deposit matures, a higher or lower interest rate may apply to any subsequent term. It's important that you review your maturity instructions closer to the date of maturity. Should you decide to withdraw or transfer all or part of your term deposit after the grace period has expired but before the last day of the term (the maturity date), Heritage has the discretion to delay the withdrawal or transfer of the funds until the end of a 31 day notice period (but not beyond the maturity date). We will pay a reduced rate of interest on the withdrawn amount. This reduced rate is called the early withdrawal rate. Heritage Bank's current interest rate schedule is available at www.heritage.com.au/banking/investment/term-deposits or by request. If you may have a need in the future to immediately withdraw or transfer funds from your term deposit, Heritage Bank has other deposit products that may be more suitable.

² All loans subject to lending criteria, limits, conditions, fees and charges.

³ Interest free period is available on purchase transactions only. To be eligible for an interest free period, the closing balance must be paid in full by the due date as shown on your most recent statement. On Visa purchases only. Excludes cash advances, credit charges and government charges.

⁴ By arrangement with a trusted third party provider.
