

Applying for a Home Loan

Speed up and simplify your home loan application with this checklist.

Identification/ Verification of Identity (VOI)

Talk to your lending specialist to find out your identification (ID) requirements.

ID requirements will vary depending on your situation. Forms of ID include; drivers license, passport, birth certificate, Medicare card and Marriage Certificate if your ID documents have differing surnames. We may ask you to use our online VOI portal.

Income

You will need to provide:

Your most recent pay slip; and

Three months of account statements showing the income deposits

If you are self-employed you will need to provide:

Your tax returns (both personal and business) and financials for the last two years

Copy of your last two notice of assessments

If applying after 1 January, your Business Activity Statement (BAS) showing any business trade since completing your most recent tax return. Plus your interim financial statements.

If you are self-employed and your tax return is not yet available for last year, you will need to provide:
